1. print the template  
(without color or with color)

If you print the colored template in black and white, they will look like on the photo.

2. bend in the middle

3. staple together at the marked places below  
(see template)

4. tear or cut out contours,  
starting from the side or top.

The ear tips must also be torn apart.

5. inscription:  
giraffe ears inside/outside

6. then put the ears on.  
That was it! :-)

Have fun using the ears!
